

Parliamentary committee inquiries

March 2024

Guidance

CLOSER's Parliamentary Committee Inquiry Tracker highlights the current inquiries accepting evidence in the UK and devolved parliaments with the greatest potential to benefit from longitudinal research. On occasion, this will include particularly relevant Bill Committees.

CLOSER is funded by:

Economic
and Social
Research Council

Committee	Inquiry title	Closing date
Preterm Birth Committee	Preterm Birth	27 March 2024
Food, Diet and Obesity Committee	Food, Diet and Obesity	8 April 2024
Senedd Health and Social Care Committee	Prevention of ill health - obesity	7 June 2024
